

WINTERKIST

by
Monica Solorio-Snow
for **LECIEN**

Winterkist celebrates the winter holidays with family and friends, parties, sewing, quilting, baking, gift-making and gift-giving. Winter brings snow, rain, cold and wet - ideal for building snowmen or splashing in puddles, and perfect for warming up with a good splash of color and warmth from Winterkist!

Gnoma Claus is back!

Gnoma comes in six fresh colors with the added bonus of being on a piece of usable yardage instead of a panel. Use a yard of Gnoma Claus for cutting out and making projects with him, or use as yardage like any other piece of fabric. Gnoma Claus comes in five different sizes ranging from 7" to 15" in height. Each yard cut at the small "sacrificial Gnoma" includes:

Seven extra small 7" Gnomas

Five small 9" Gnomas

Two medium 11" Gnomas

Two large 13" Gnomas

Two extra large 15" Gnomas

An abundance of Gnomas for your sewing and crafting pleasures! Use fussy-cut Gnomas for appliqué projects, pillows, bunting, aprons, quilt making, wallpaper art (with liquid starch), home dec, quilting and all kinds of fun.
