

An 8" x 12" little pocket quilt to fill with donations for Japan's earthquake and tsunami recovery. Fill often. Fill much. MAKE + FILL + DONATE + REPEAT

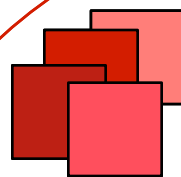

This project is intended for you to make for personal use as well as to make for selling to generate funds to donate to organizations like the International Red Cross, Doctors Without Borders, NW Medical Teams and Mercy Corps. Please have 100% of your sales go to Japan's earthquake and tsunami relief and recovery efforts.

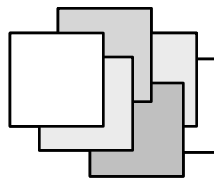

Make two - one for yourself/your family and one for you to fundraise. Sell on you blog, your etsy, to your family, neighbors and co-workers.

Make four. Make eight. Sell, sell, sell... donate, donate, donate, donate, donate!
