CUTTING

Cutting is based on 40-42" wide fabric

- From three of the blue color prints, cut:
3) $4\frac{1}{2}" \times 8\frac{1}{2}"$ rectangles
From two of the blue color prints, cut:
2) $4\frac{1}{2}" \times 8\frac{1}{2}"$ rectangles
- Repeat 1st step with all the color prints to yield 13) $4\frac{1}{2}" \times 8\frac{1}{2}"$ rectangles of each color.
- Cut remaining color prints into $2\frac{1}{2}"$ or $2\frac{1}{4}"$ binding strips. Join strips end to end to yield a 300" strip for binding.
- From white background fabric, cut:
17) $4\frac{1}{2}"$ strips
----> sub cut into 65) $4\frac{1}{2}" \times 8\frac{1}{2}"$ rectangles
2) $12\frac{5}{8}"$ strips
----> sub cut into 6) $12\frac{5}{8}"$ squares, and cut each square diagonally twice to yield 23 side triangles.
1) $6\frac{5}{8}"$ strip
----> sub cut into 1) $6\frac{5}{8}"$ square, and cut the square in half diagonally to yield 2 corner triangles.
- Cut backing fabric in half on the length, and join together on the width for backing.
